

I Can Do It / I Can't Do It... Yet

Cut out these pictures and sort: things I can do and things I can't do... yet!

Stick them on two separate pieces of paper to create your posters.

...brush my teeth

...count back from 10 to 0

...do a headstand

...cook my family a meal

... tie my shoelaces

...count to 5

...climb a climbing wall

...ride my bike with stabilisers

...juggle balls

...say hello in a different language

...ride my bike without stabilisers

...look after my pet

...do the crab pose
